Summer Bible Study
JUST LOVE-part 2: JUST L.I.F.E
“Liberation is for Everyone!”

Written by Pastor Angela Khabeb of Minneapolis, this study is inspired by Jesus’ proclamations: “If the Son makes you free, you will be free indeed,” and “I came that you might have life, and have it abundantly.”

Our teacher/leader for the day will be Pr. Sharon Amundson who serves Mariposa Lutheran Church in Mariposa. While attending PLTS, Pr. Sharon served her internship at Trinity in Fresno where she became much loved, especially for her Bible teaching. She serves as Sierra Pacific Synod Treasurer, and is a board member for the SPS WELCA.

This study is co-sponsored by the Synod Resource Center and the WELCA at Trinity Lutheran Church, Fresno. Let us know of your interest: resourcecenter@spselca.org

Here is a reminder: The Synod Resource Center is a collection of thousands of books, dvds, group materials such as for confirmation, adult Bible studies, stewardship materials, Lutheran humor, worship and devotional aids, and much more. It operates as a lending library and YOU are welcome to use it. We have a number of new books. You are invited to a visual tour of the RC at <https://youtu.be/wc0qVAgLFys> to see our facility. You may send us an email with a specific request at resourcecenter@spselca.org or look through the electronic catalog at <https://rqmweb.com/rspselca> and make a request there. We look forward to hearing from you.
